A **SOLAR FARM** IN HAWKINS COUNTY IS NOW UP AND RUNNING.

[TAKE VO]

(**VO**)[<mos>00:00:00.00-00:00:00.00:Banner With Locator | SOLAR PLANT OPENS | HAWKINS COUNTY, TN |</mos>]

THE PROJECT IS A COLLABORATION OF BIRDSEYE RENEWABLE, PHIPPS BEND INDUSTRIAL AND T-V-A.

IT'S BEEN UNDER CONSTRUCTION FOR THE PAST THREE YEARS.

THE **SOLAR FARM** COVERS FIVE AND A HALF ACRES AND INCLUDES 38-HUNDRED **SOLAR** PANELS AT THE SITE.

THE GOAL IS TO HELP TVA GENERATE MORE **SOLAR** ENERGY.

OUTCUE: no volatility there

DURATION:0:12]

(**SOT FULL**)

[<mos>00:00:00.00-00:00:00.00:Lower_3rd: | Brian Bednar | PRESIDENT OF BIRDSEYE RENEWABLE</mos>]

{we can fix our energy costs because the sun is free--once we install the project we know it's going to generate electricity for the next 20 years at a certain cost--there's no volatility there.}
